

ROAD SAFETY ANNUAL REPORT 2019/2020

REPORT OF THE TRANSPORTATION DEVELOPMENT MANAGER

1. Purpose of the Report

- 1.1 To provide an update on road safety issues in the city and consider the Road Safety Annual Report 2019/20.

2. Background

- 2.1 In setting its work programme for 2020/21, it was suggested that the Committee receive a report on the issue of road safety within the city.

3 Current Position

- 3.1 Paul Lewins (Transport Development Manager) will provide a presentation on the range of road safety works and initiatives being carried out by the Council, together with data analysis relating to accidents and collisions.
- 3.2 A copy of the Annual Road Safety Report 2019/20 is attached for information.

4. Recommendation

- 4.1 The Committee is recommended to consider and comment on the issues raised during the discussion.
