REPORT OF THE CHAIR OF NORTH NEIGHBOURHOODS AND COMMUNITY BOARD

North Sunderland Area Committee Delivery Plan 2020-2023

1. Purpose of Report

1.1 This report:-

- a. Presents the North Area Committee Delivery Plan 2020-2023
- b. Provides an update of progress against the Area Priorities associated with the Delivery Plan

2. Background

- 2.1 Following the approval of the Neighbourhood Investment Plans in March 2020, the North Area Committee has worked together to finalise their Delivery Plans. All priorities have been determined following significant resident consultation via Let's Talk Sunderland. The Council also undertook further consultation with residents, during June 2020, to ensure the priorities were still relevant post COVID-19.

3. Area Committee and Neighbourhood Investment Plan Governance Arrangements

- 3.1 The Area Committees are part of the Council's Executive Function and have two key roles:-

- a. Influencing decisions on services delivered at a neighbourhood level; and
- b. Identification of key priorities for their areas, in the context of supporting the delivery of the Council's City Plan at a neighbourhood level and ensuring maximum impact where necessary, through utilising its own resources.

- 3.2 Following the approval of the Article 10 Neighbourhood Investment Plans at Cabinet in March 2020, the Neighbourhood Investment Plans replaced the former Article 10 Local Area Plans.

- 3.3 It is now the responsibility of each Area Committee to deliver their agreed priorities to support the delivery of the Neighbourhood Investment Plan. Area Committee Delivery Plans have been developed to enable this to happen.

- 3.4 The Neighbourhood and Community Boards will be the working group for the Area Committee and the board will be Chaired by the Vice-Chair of the Area Committee. All Committee members are invited to attend all board meetings.

- 3.5 Members will work alongside key officers in what will be practical action orientated groups. It should be noted that the Board is not a decision-making body and the work / recommendations of the Board will be presented to the Area Committees for final endorsement. The Area Committee Chair and Vice-Chair were agreed at Annual Council in June 2020.
