ACTION TAKEN ON PETITIONS

Council Members are asked to note the action taken in relation to the under mentioned petition which was presented to Council.

(i) Petition to improve street lighting in various parts of Farringdon Estate – Presented by Councillor Porthouse on 26 September, 2012

The petitioners requested the Council to improve street lighting in various parts of Farringdon Estate stating that there were several streets where the existing lighting columns were not adequate and were not replaced under the Street Lighting PFI. The streets the petition referred to were Farringdon Avenue, Avalon Road, Arundel Road, Arnold Road and part of Ashdown Road.

The Council had already identified the area as one which required improvement and commissioned designers to work up a scheme that would satisfy current lighting standards. Works to improve street lighting in the Avalon Road/Arundel Road area were scheduled to start in the week commencing 13th May, 2013 and were due to be completed within a week.

Councillor Porthouse and the lead petitioner have been notified of the action taken.
