

Appendix 4 – Responses to Statutory Representation Notice

As a parent of a child who attends Millfield Community Nursery I would like to say I am very much against the closure of this provision. In the past year my daughter had attended she has thrived both academically and socially, and that's all down to the staff there. Telling my daughter it is closed and she can no longer go will break her heart, as I'm sure it will many other children's.

Thank you
