Declarations of Interest

There were no interests declared.

Establishing a Sunderland North Area Work Plan

The Chief Executive submitted a report (copy circulated) providing a Work Plan for the municipal year 2009/10 for the Committee's approval and requesting Members to consider possible venues in which the Committee will meet for the forthcoming year.

(For copy report – see original minutes).

Mr. Alan Caddick, Head of Health, Housing and Adult Services, referred Members to the draft proposed Work Plan detailed at Appendix 1. He explained that the intention was for each meeting of the Committee to be dedicated to one priority theme. In the meantime work would be undertaken on the other themes outside of the meeting by Officers and partners in preparation for when the priority would be discussed in Committee. The Committee would also receive feedback on those priorities previously discussed at the meeting and updates on the actions recommended and taken forward on the Committee's behalf.

The Chairman invited Members to discuss the Work Plan and relevant lead organisations and delivery partners for each of the priorities. A full discussion ensued and Members agreed the order of the priority themes and lead organisations and delivery partners as detailed at Appendix 1 to these minutes.

The Committee then turned to consider the list of suggested venues for future meetings of the North Sunderland Area Committee detailed at Appendix 2.

Ms. Pauline Hopper, Area Regeneration Officer, invited Members to indicate which venues they felt were suitable to host meetings of the Area Committee, advising that they would then be checked out with regards to accessibility.

The following suggestions were offered as possible venues for future meetings:-

- Hylton Road Centre College;
- Southwick Community School;
- The Bunny Hill Centre;
- The Sunderland Yacht Club;
- Fulwell Day Centre;
- Dame Dorothy Primary School.

Members advised that some of the above venues may present those attending with difficulties in terms of parking. Members were undecided as to whether the Committee should hold all of its meetings in one venue or move to different venues in the area for each meeting, some Members being in favour of meeting in different venues and others in favour of having a regular meeting venue.

Full consideration having been given to the report, it was:-

- 3. RESOLVED that:-
- the proposed Work Plan and the order in which the priorities will be discussed be approved and Appendix 1 be updated with the names of the lead organisations and delivery partners identified at the meeting (N.B. please see Appendix 1 to these minutes for the updated Work Plan for 2009/10); and
- the Chairman and Vice Chairman, in consultation with the Area Regeneration Officer and Democratic Services Officer, give further consideration to the suitability of venues for meetings of the Area Committee and make a decision as to whether to meet in alternative venues or hold all of the meetings for the North Sunderland Area Committee for the forthcoming year at the Bunny Hill Centre.

Strategic Initiatives Budget: Ward Based Community Chest

The Chief Executive and City Treasurer submitted a joint report (copy circulated) seeking the Committee's agreement to the return of funding for unclaimed Community Chest approvals from 2006/2007 and the carry forward of unallocated Community Chest funding from 2008/2009 to the Ward areas.

(For copy report – see original minutes).

Ms. Pauline Hopper, Area Regeneration Officer, provided an update to the Committee in relation to the budget funding returning to the Strategic

Initiatives Budget, the Strategic Investment Programme and the Community Chest 2009/2010 allocations.

- 4. RESOLVED that approval be given to:-
- i) the return of unclaimed approvals from 2006/2007 for re-allocation; and
- ii) the carry forward of unallocated Community Chest budget from 2008/2009 into 2009/2010.

Strategic Initiatives Budget: 2009/10 Ward Based Community Chest

The Chief Executive submitted a report (copy circulated) bringing forward 26 recommendations relating to the 2009/10 Community Chest Scheme.

(For copy report – see original minutes).

Members having noted that two applications for funding were listed under St. Peter's Ward in respect of Sunderland Primary Schools FA, it was:-

- 5. RESOLVED that:-
- i) approval be given to the 25 proposals for support from the 2009/10 Community Chest as detailed in Annex 1 to the report; and
- the application under St. Peter's Ward for £500 relating to Sunderland Primary Schools FA be withdrawn, bringing the total spent in the Ward to £785 and not £1,285 as detailed in Annex 1.

The Chairman thanked everyone for their attendance and closed the meeting.

(Signed) R. BELL, Chairman.
