JOINT REPORT OF THE CHIEF FIRE OFFICER/CHIEF EXECUTIVE (THE CLERK TO THE AUTHORITY) THE STRATEGIC FINANCE OFFICER AND THE PERSONNEL ADVISOR TO THE AUTHORITY

At its meeting on 10th December, 2018, Members of the Fire Authority considered and approved a supplementary report (IRMP Response Review Consultation Period) following requests made by members of the public and FBU representatives to extend the duration of the IRMP response review consultation period by two weeks, until 28th January 2019 (min.no.44/2018).

The report outlining the results of the consultation is to be printed and circulated separately. The delay in circulating this report is to ensure a robust review and analysis of the consultation feedback, for consideration by the Authority.
