- 4.1 The audit opinion for the audits carried out so far during the year is shown in Appendix 2 along with the current overall opinion based on the current and two previous years' audit work. Seven audits are included in the current year's plan and the progress on each is as follows:
 - Service Planning / Integrated Risk Management Plan planned for quarter 2

- 4.2 In addition to the above, 10 days were allocated for proactive financial transactions testing to ensure that appropriate controls continue to be in place during a period of change in the back office services. The areas to be covered were Accounts Payable and Payroll. The Accounts Payable work is complete and no concerns arose. The Payroll testing will take place alongside the audit of Payroll and HR Management.
- 4.3 The audit plan also includes an assessment of the Authority's counter fraud arrangements using the Audit Commission's Protecting the Public Purse checklist. This work is planned for quarter 3.
