

NOTICES OF MOTION

(ii) Notice of Motion – Child Poverty

This Council notes that, before 2009, the Labour government's wide-ranging approach to child poverty, encompassing measures like tax credits, cash transfers and accessible public services, was successful in reducing the risk of child poverty.

And that the recent UNICEF report of 29 May 2012 indicates that the Coalition Government will put that into reverse - with potentially devastating effects for children. Indeed, it seems children are falling off the agenda in the cause of deficit reduction.

We ask the government to stop implementing policies which adversely affect the well being of our Children.
