- Annex 3: Note the financial statement for Area Committee funding for 2009/10.

**Is the decision consistent with the Budget/Policy Framework?** **Yes**

**Suggested reason(s) for Decision:**

The Strategic Initiatives Budget (SIB) and Strategic Investment Plan (SIP) were established to promote action on key priorities identified in the relevant Local Area Plan and to attract other funding into the area. Applications for SIB/SIP funding should demonstrate the potential benefits to communities the proposed project would bring and be able to provide evidence and statistics that can illustrate these benefits.

Community Chest forms part of the Strategic Initiatives Budget and support is given to projects, which clearly demonstrate they will address identified local needs, provide genuine community benefit and can provide evidence/measurement of success.

**Alternative options to be considered and recommended to be rejected:**

The circumstances are such that there are no realistic alternatives that could be considered.

**Is this a "Key Decision" as defined in the Constitution?**

No

**Relevant Review Committee:**

Management Scrutiny Committee

**Is it included in the Forward Plan?**

No
