- Working towards TQS
- Overall success rate for App in Sland-89%
- Strong management team in north
- Experienced delivery team in north

Key Training

- Established in 1977
- Established in Sunderland since 1985
- 11 centres nationally in England
- Part of the Sunderland Network of providers
- Local Director asked to lead the Apprenticeship Task Force Project
- Delivery of Apprenticeships is our function within Sunderland

Key Training

- Key Participation in 16-19 Delivery:
 - Offer employer led Apprenticeships
 - Find local vacancies
 - Match young person to employer
 - Deliver work based learning to achieve full Apprenticeship framework
 - Refer young people to appropriate provision within the Network
 - Work with young people in the HUB project

Our concerns

- Increased necessity to attend more meetings(NAS/SFA/LA)
- No obvious single point of contact
- Inability to be offered different style contracts such as E2E/DWP
- Decisions made without local representation

Above is not just applicable to Sunderland

- Involvement of employers is crucial
- Work Experience-Apprenticeship-Exit strategy
- Use of Interns
