REPORT OF THE CHAIR OF THE PLACE BOARD

Place Board Progress Report

1 Purpose of Report

- 1.1 To provide an update of progress against the current year's (2016/17) Place Board Work Plan.

2. Background

- 2.1 Earlier this year the priorities associated with Place were referred to the North Place Board to action on behalf of the Area Committee. The Place Board has started to initiate action on those priorities and **Annex 1** outlines progress to date.

3. Area Governance Arrangements

- 3.1 The Area Committees are part of the Council's Executive Function and have two key roles:-
- Influencing decisions on services delivered at a local level; and
 - Identification of key priorities for their areas, in the context of supporting the delivery of the Council's Corporate Outcomes Framework at a local level and ensures maximum impact where necessary through utilising its own resources.
- 3.2 Area Place and People Boards were set up to support the Area Committee in identifying areas of priority and ensure action in line with those priorities.
- 3.3 Each ward has one elected member representative, whose role it is to liaise with their ward colleagues in between meetings and feedback collective views into the Board meetings. It should be noted that the Board is not a decision making body and the work/recommendations of the Board will be presented to the Area Committees for final endorsement. Elected member representation on the Place Board for this Area Committee is as follows:-
