

Working Groups

1. Alcohol & Young People

The Group will focus on the following priorities:

- Enforcement activity to address young people drinking in public places
- Action within industry on young people and alcohol
- Partnership with parents on teenage drinking
- Supporting young people to make sensible decisions about alcohol.

Membership: Councillors Dianne Snowdon, Robert Oliver and Audrey Johnson and Pat Burn

2. Learning & Skills

The Group will focus on the following priorities:

- Opportunities for young people to access training, further education and jobs
- Training and support for employers who work with those in the NEET group
- Promotion of engagement in the customised learning opportunities that exist for young people who are NEET.

Membership: Councillors Paul Stewart, Celia Gofton, Richard Bell and Stuart Laverick and David Snowdon

3. School Health Services

The Group will focus on the following priorities:

- The future provision of school nursing services in light of Government policies to improve health and reduce inequalities in health outcomes.
- Linking with other services and agencies involved in the health and wellbeing of children and young people.

Membership: Christine Hutchinson and Dorothy Butler
